

Women Rock Project's Topics

I Rock Because - tell us about your positive qualities.

I'm Passionate About – what are you passionate about either in your personal or business life, or some world cause?

My Mission - what is your personal and/or world vision for this lifetime?

I Think Big - give us an example of how you think big in your life and/or in your business.

My Little Secret – share a secret that you use in your daily life that makes your life enjoyable.

With a Little Help from My Friends – give an example of how your friends help you out – share something you would not be able to do alone, but with your friends it is possible.

A Courageous Moment – share a moment when you were scared or unsure of what was happening next in your life, and yet you chose to move forward anyway and face your fears.

Divine Intervention – give us an example of a situation or circumstance that was divinely inspired.

Positive Relationships - how do you maintain fulfilling and loving relationships?

Health: Body/Mind/Spirit - how do you keep balance and harmony in your whole being?

Success: Work/Career/Money - what has worked to make your material life thrive?
